“ *We have known the Reddy Family for over 50 years; Richard was certainly a loved and memorable part of the family. Its been only weeks ago that we were with Richard attending the passing of his father John, and it seems unbelievable that we are now mourning Richards passing. We regret that we'll be unable to attend services as we'll be out of town however our thoughts and prayers will remain with Richard and the family. God Bless Emery & Sue Price*

“ I had the privilege to be called sis by Richard for as long as I can remember. His heart was full love. When he loved you, he loved with all his heart. I have so many wonderful wonderful memories of my brother when we were young and as we grew up. One I will hold forever in my heart is when he was sick in the hospital. I went to visit him he was asleep, I sat down on his bed kissed his forehead and told him how much I loved him. He woke up told me he heard me crying and telling him how I loved him and he knew he had to wake up cause I was his guardian Angel. He is now my guardian angel. He will be dearly missed by all that loved him. Until we meet again Richard I love you.
