“ I was so surprised when I saw on Dick's Facebook page the entry by Shannon that Dick had died. We enjoyed our year's at Benedictine playing sports and enjoying doing activities together. My prayers to the family and friend who will miss Dick. May he rest in peace in the hands of God.

“ How I'm going to miss the fun times I always had when we got together. Laughing at our inside jokes and just about everything else. I have great memories from Holly's, the bowling league, Alpena, The Foster Opens, Cedar Point, Johnny and Rosemary's and, of course, the Schimmel and Dergis porch and deck evenings just hanging out. You were a true friend, Dick. So many people will miss you.

“ Such a wonderful, fun and engaging gentle man. His death is heartbreaking , he will be so missed. I just loved him! Will always remember the many many times he referred to me as his “ much older cousin”. Love to his whole family... and many many many friends...

“ Shocking! We were unaware that Dick was in failing health. From our days at Benedictine High through years and years of planning reunions, we were fortunate to be in touch with Dick. He was genuine in every sense. Very kind, caring, loving, non-judgemental, and our key to laughter anytime he was around. Many of his classmates joked for years about Dick resembling Our Lord and Savior - Christ. He now rests with Him in peace. But for the rest of us, he will be truly missed. Heartfelt, Doug and Peg Petoskey

“ I met Dick through my friend Melissa, whose family was long-time friends with the Schimmels. I remember being floored by the warmth and kindness that exuded from Dick and his family. They made me feel so welcomed and included, and he was such a pleasure to talk to. Just a genuinely nice and cool dude. I'm grateful I was able to know him and am sending my deepest condolences to his family and all that loved him. He will be missed.

“ Classmates at St. Scholastica since 1957. Plent many hours playing sports together in Rosedale Park. Such a great kid & friend. We kept in touch through the years (usually by chance meetings). A generous and good hearted man. I will miss him.

I am so sad to hear that Dick has passed away. He was a neighbor for 12 years and we sure had some great times. Sitting by his firepit and listening to music while the dogs are running wild in his backyard. My thoughts and prayers are with the whole family. He will be forever missed! 🙏
