“ *Dear Peggy:*

I hope you are my close high school, flute-playing friend, Peggy Adams, from Walled Lake H. S. If not, please forgive me for contacting you. In the recent past, I saw a Margaret (Peggy) sending her condolences to our band teacher's (Helmet Holland-Moritz) wife and thought for sure, it was my high school friend. If you are not the person to whom I think I'm writing, please accept the following message from my heart, as if you were my dear friend Peggy.

Having lost your dear husband of many years to his Lord, I sadly send you and your family my sympathies and love. Having lost my husband John to cancer in 2003, I realize the great emptiness Dick's loss leaves behind in your heart. Your memories of him will bring great sadness yet as the days pass, you will gain strength to face the future. Every time the leaves move in the wind, a flower blossoms, a bird sings and as Joyce said, every rainbow will bring his spirit close to you. May the Lord and the angels watch over you and your family and give you strength to endure.

I wish I could put my arms around you and give you a much deserved hug. If you are my dear high school friend, I hope we can get in touch (my email is above).

Love,

Barb Hosley Brana
