“ *I Met Julie & Richie when They were looking for a Home. I knew He was a Great Character immediately. We had a lot of fun during the process and quickly became friends. They had Me over for Dinner and I think We kept the neighbors up laughing until the wee hours of the morning. Best Belly Laughs! My Husband and I also attended their Beautiful Wedding and Loved the Dinner Cruise. He Called Me The "Mammoger". He was just Such Joy To Be Around! He Clearly Loved and Cherished Julie. It was a Beautiful Thing. They just belonged together.*

“ *I worked with Rich at St Joes in Canton. He was always smiling and he would bring us treats sometimes. I worked late and sometimes he would keep me company. I will miss him alot. We shared stories and he was a good listener. Sorry for your loss.*

Linda, he was always smiling, singing and whistling. When I was down in the dumps he immediately knew how to make me smile instantly. My heart is broken.
