“ *Richard liked to tease us but he was a real teddy bear at heart. In the past few months he told us several times how much he enjoyed having moved up north and being close to go fishing. He was a business partner, but even more than that he was a friend to all of us. He will be missed. Pat, Allan, Tom, Paul, Bob, Barb, Charlie, David H, Dany, Janet, Pam, Greg, Bobbie, David N*

“ We would like to offer our deepest condolences to the Zink family during this difficult time. Looking back and remembering the good times can be helpful in keeping his memory alive in your hearts. I never had the privilege of meeting him, but through our group of friends, knew how much pride and love Rich had for his dad. We will not be able to attend but please know your family is in our thoughts and prayers.

“ Our dearest condolences go out to the Zink family. I personally have only met Mr. Zink once in my life, but he seemed like a very honest and up standing man. His spirit will live on through the values and memories instilled in his remaining family. If there's anything we can do to help, please do not hesitate to ask. We will unfortunately be unable to attend the memorial service on Saturday because I'm in a wedding out of town. We will be thinking about you and we'll be sending our love, thoughts, and prayers to you and your family.

“ I deep felt condolences are with you. We will miss seeing him out in his yard here in Weidman. We were only blessed with his presence for a short time but we will always have the memories that we were able to build. If there is ever anything we can do please let us know. We hope that the Lord will hold his children in his loving hands and help them through this trying time.
