“ *I'm so sorry my sister Kay is on vacation and will not be able to attend. Kay and Rita shared birthdays together all these years. Rita was our neighbor on Burt Rd, knowing each other's families and friends. The last time I saw Rita was when Kay picked her up and we went to French Taost Restaurant and had lunch with all the Burt Road neighbors. It was a really pleasant time. I believe you are in peace Rita. God bless.*

“ The memory I have is about the strength and endurance of the love between a husband and wife, the love that transcends all of our life struggles, illness and even separation. My memory comes from seeing the two of you together through thick and thin with no outward appearance that illness or struggles or problems exist. It is a memory of a life and a love that was shared the way God intended. I admire, respect and appreciate the love you exhibited during difficult times Ken. I hope I can live up to the example you set for all of us during illness and strife. I pray that God will bless the rest of your life with memories of the good times and the love you shared. Peace and love to you Ken. You are in our prayers.

“ Rita was always the bright light at our family gatherings. Always with a smile on her face and so happy to be with family. My favorite memories of Rita are how she loved singing Italian songs and Christmas carols at all the family parties and the many summer days spent poolside at her home in Canton. I will miss my sister in law dearly. She always treated me as if I were her own sister.
