“ To my dear nieces, Stacy & Kori our hearts break for you, we know how hard this is for you. But we think of how happy Bob is holding John-John in his arms again and telling him how much he loves him, and how proud he is of his daughters, you both have made him very proud. It just took a moment to look in his eyes to see the love that he held for you all. Please know that your uncle Mike & I and our children loved him very much, and we thank you from the bottom of our hearts for giving us the most precious Christmas gift this year, that is the time we got to spend with our loving brother-in-law. It is a priviledge to have him as our brother-in-law. We've loved him for many years and we will love him forever, we will always cherish the memories that we will hold in our hearts forever.

If there is anything we can do please let us know.

Love Uncle Mike, Aunt Brenda, and children

“ We only met Bob in the spring of this year. He remodeled our 2 bathrooms and then our kitchen this fall. In this short period of time, we came to feel that we had known him all of our lives. It seemed we had much in common. We too enjoyed the area and vacationed around Cocoa Beach. We visited the same eateries and the same sites. What a fine gentleman he was. His craftsmanship was excellent. We admired his attention to detail and his work ethic. I want his family to know how highly he spoke of you all. I felt as if I knew you also. His parents and the cruises, his wife and of course his children. He always had a proud story to tell. He made sure we visited the store in T.C. while we were up north. I could tell he was a very proud husband, father and son. His dry wit and sense of humor brought many laughs to us while he was here. He demonstrated a love of family and work and life in general. I am so glad to have known him even for such a short period of time. He was taken much too soon. Be proud to have had him as a son, husband and father. Our deepest sympathy to his family, Clarence and Gloria Sroczyński

“ *Dear Anusavage Family*

We send our deepest sympathy in your loss of Bob.

To Leo & Eileen: We can't begin to understand your grief in losing your only son. Sadly, that is a loss Bob felt almost 10 years to the week in the passing of John Robert. I'm sure a part of Bob also died back then 10 years ago.

To Stacy & Kori: I know your father loved you both very much. Try to remember the good times you shared with your Dad.

Our love and sympathy to you all.
