“ *Bob was one of the founders of the Troy Daze and the Troy Family Daze festivals. His dry wit, his hard work and his wise-cracks will certainly be missed. A good guy all around, very sad to see him go.

“ *My "Life-Saving" memory of Bobby is actually that.... When I was a little girl I stood at the end of the dock in Glen Rocks Summer Camp. The dock was crowded with laughing, playful teenagers unaware that a little one had slipped into the 30 foot deep lake. Except for the watchful eye and quick response of Bobby, I wouldn't be here today! When he saw my body sinking quickly in the water, he immediately jumped in and pulled me out. He then carried me up the hill to our cottage and to my mothers arms. (First she scolded him for bringing a wet child into her just cleaned carpet) "Aunt Isabelle, I Just Saved Her Life!!!" I am so grateful that he did!! What a kind and generous heart you had.... Thank you my unsung hero!*

“ A few years ago, we (the Simon family) were crushed by the unexpected death of our brother Al (Chippy). The funeral was to be held in Petosky the week after Christmas. As the day approached a blizzard moved in making travel impossible. Just before the service began the church doors opened and there was Bobby and Doug. They had driven for hours on snow covered roads to comfort us in our grief. We were given an unforgettable gift of love that day which has never been forgotten. We thank God for Bobby's life!

“ Bob was the sound man for the Troy Daze Festival for all the years I was chairman. Festival set up did not really feel like it started till Bob got there. He was always thinking of how to make the Festival better. He would fill up our suggestion list with his ideas. Bob you will really be missed. May they have a golf cart reserved for you in heaven. “ *I got to know Bobby through membership at MPC, but more so during my time on staff with him at the church. He never failed to ask about myself and my children, and always kept up with their latest adventures. He was a friend during a difficult time and that's what I'll remember most. He was a fixture at MPC and we will miss him dearly.*
