“ *Dear Barb,*

I'm so sad to hear about Bob. He was such a neat guy! I remember the fun times we'd have at the Port Lewis Pier way back in the early '60s. This will make you laugh . . . he was such a quiet guy, but one day I was floating on an inner tube beside the pier when he came up to me and said, "You remind me of Carol Lynley." Now, I ask you . . . is that not the best line you've ever heard?" Barb, the two of you carved a great life for yourselves . . . a beautiful daughter and amazing granddaughters. You know he hasn't left you. He'll be watching you from a much better place. I know you will do just fine. Take care . . . much love to the whole family. You're in my thoughts and prayers always.

Sincerely,

Judy Dixon xoxo (nee Hawker)

“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at ctksdk@yahoo.com

“ Dear Barbara, Erica, Ruth, Susanne & Marian;
Robert was my life long friend. When I was a young boy living next door, I would spend as much time with him as I could. He always had time and space for me. In fact our parents had us cut a passage way between our yards because I was hopping the fence so much. Robert was six years older than me. Six years is a large gap in age when you're young. Maybe being the oldest and having three younger sisters, he thought of me like his younger brother. He was always so open and good to me, allowing me to go with him wherever he went. We would go water skiing at Cass lake with the family boat called "we-ski", or build an ice rink in the back yard to play hockey, or just hang out. When he got his first job at the Butzel ice rink, we would get up at 4am to go play hockey, and then drop me off at school. When he joined the U.S.Air Force and was stationed at Edwards Air Force Base in California; I drove out to see him. Well; we all grow up and in this mobile society move to diverse places, have a family and get involved with life. We stayed connected by telephone and talked for hours. It always seemed like we would pick up where we had left off, like we had just talked yesterday.
Robert had a very positive influence on me growing up, and was a wonderful roll model. I never saw him angry, or ever heard a disparaging word from him. He was truly a wonderful person; and I have a deep love for him in my heart. I feel so grateful and blessed to have had him as my big brother.

Love; Ed Adelson

“ Well, I thought of him while watching the Tiger's play Sunday and felt the "win" was for him!!! I will sure miss his baseball knowledge and him googling answers for me :-(I will also miss playing him at words with friends....he was the one who introduced it to me!!! I will miss walking into the house and catching him in his chair...looking out the window and identifying all the birds and squirrels for me!!! I will miss hearing his loud laugh at my funnies...I will also miss talking cars and trucks with him..he wanted one like mine. R.I.P. Robert!!! You were definately one-of-a-kind...I will be there for Barbara and Erica if they need anything.
