“ *Pam, Laura and Rob. Bob was one of the most patient people I have ever met. He was always willing to take the time to explain things, often over and over, whether about what GPS systems can do, racing strategies or even patiently hitting tennis balls directly to me so I might have a chance to hit them. So sorry, Judy Martens*

“ Dear Corzine Family, I am so sorry for the loss of your dear loved one, Robert. At times such as these it is very comforting to have the loving support of family and close friends. It is also very comforting to turn to the "...God of all comfort, who comforts us in all our tribulation." His son Jesus said at John 11:25, "I am the resurrection and the life. He who exercises faith in me, even though he dies will come to life." I hope that these few Scriptural verses will bring you some solace at this most difficult time. Please feel free to contact me at 6255 Wayne Road, Romulus MI 48174 or visit our website at www.watchtower.org-with warm sympathy, Celia
