“ When a new angel is called home, know that the reason is really to keep a watch on all of us left behind. Sad to know Mr. Bob is no longer walking among us, but comforted to know he will always be in our hearts, therefore, protecting, guiding, watching over all of us, every minute of every day! Comfort comes from family and friends and our Savior, and I am so grateful and honored to know him and the family, even across the miles! To the family, be safe, comforted, knowing how precious this angel is to all that know Mr. Bob, and we're all here to help, but ultimately, our comfort will come from from above! Be well, and blessed always. Call on me anytime!
