“ *I am sorry to read about the passing of your love one. I send my sincere condolences to the family and friends. It is at times like this that we need comfort and support whether we are acquainted or not. I know that Mr. Robert Bye will be missed and mourned by many, but not forgotten by you or our Heavenly Father, Jehovah. As promised in his word the Bible, there will be a ?resurrection?. (Acts 24:15, Psalms 37:29). Once again, you have my sincere condolences.-Revelation 21: 3, 4.*

“ Claudia -

So sorry to hear of the death of your Dad. I am glad I was able to see you (and your mom) today and give you a big hug! As mom said, dad is not hurting anymore and is in a better place. I will keep you and your family in my prayers.

One thing someone told me after my dad died and I would like to share it with you -

"The pain you are dealing with never gets any easier to deal with and you will continue every day to miss your dad. However, as time moves forward, you learn to deal with the pain differently."

Love Ya!!
