“ I am so sorry you loss your love one in death. Death caused such a huge void , be assured that void will soon be filled . I hope you will find comfort in Gods word at Revelation 21:4 "And he will wipe out every tear from their eyes , and death will be no more , neither will mourning nor outcry nor pain be anymore . The former things have passed away. " When the former things pass (death and sickness). We will be united with our dead love ones".Isaiah 25:8 "

“ I will always remember the day you took me for a job interview at UTA. Turned out to be my career. You were always kind and quick to help. Scott has been a good son taking care of you. May your family celebrate your life, and find comfort in knowing you are in Our Father's care.
