“ I am "Uncle Bob's" cousin Larry Friedrich... He was my cousin, but we always called him "Uncle Bob" because he was more than 20 years older than me or my brother Dave and sister Donna. Ewald (Fred/Babe)Friedrich was my Dad and he was Ed's, Otto's and Helen's brother. The last time I saw "Uncle Bob" was over 35 years ago. He, Otto and my Dad bartended my wedding in 1975. My memories of Uncle Bob were always good an we loved going to their house and playing with Gloria.. Aunt Chris always had the most beautiful Christmas trees and we would just looked at it in wonder. One time Uncle Bob was over our house on Lenore and I was swimming in our 28' pool. I was about 9 and was trying to get them to acknowledge how good a swimmer I was. Uncle Bob bet my Dad \$10 that I couldn't swim around the pool 10 times without touching the sides or the bottom. Well... I swam over 90 laps and Uncle Bob finally told me to stop and paid up the bet. My real uncles where Ed and Otto and I never knew Ed that well and "Uncle Ott's" was a very private man and did not really share or play with us. We had great times when we rented cottages in Cedar Beach, Canada. The adults would play poker at night and we would make the "highballs"... Uncle Bob was by far my favorite Uncle and even though I haven't seen him in a long time... I will miss him and I hope to see him again someday in heaven.

“ Bob & Tina were one of my favorite cousins! I can remember they lived upstairs in a flat back in the good old days and always had a big Christmas celebration. They had a huge fat tree and some Christmas times, it had all blue lights. I loved playing with my cousin Gloria; we were both only children. Bob was always full of laughter and I never saw him sad. It was always fun to go to their house. Then they had a house with a pool and I remember going there in the summer. What fun memories I have of Bob! I will always treasure them. Love, cousin Vicki

What a wonderful man who loved to talk sports, especially golf and had a great sense of humor. We will always have fond memories of his generosity to our children and of family times spent together. Bob will truly be missed. Love, Chris and Nancy Hoepf

I never knew him, but I do remember when family would get together they would talk about him. I remember Uncle Ott's and Babe and when I was moving several years ago I found a picture of my Grandma (Helen Stearla- Babe and Ott's Sister) when there was a gathering at our house with all the kids and everyone gathered around them for a picture. My Prayers are with my cousin's as we have all drifted apart over the years, but we are all still family and it is a loss to all of us. I know you will miss him and from reading the stories it seems he was a wonderful man...
