“ *I've know Bob for over 21 years & had the pleasure of serving with him on our Glenview Homeowners Association and associated sub committees. I also had the pleasure of sharing Bob's love for fishing. He was a man of principle, integrity & believed in community service. May he R.I.P.*

“ *Our entire family was saddened with the news of Bob's passing. The Shephard family and the Reed-Gall family became neighbors and friends about 40 years ago and the friendship has continued these many years. We will all miss Bob. I have many good memories of times with Bob, particularly as fellow Kiwanians and our annual fishing/golf trips to Pentwater. He was a man of honest and upright principle and fine character.*

Therese, Rob, Bill - you are in the thoughts and prayers of our whole family.

Our sincere love.

“ *I worked with Bob on the township recall in 2014 & 2015, and the final 2016 election campaign that changed our township government. I also worked with Bob for many years in Kiwanis, we both worked to support children by being Key Club Advisors. Bob was active in Kiwanis for over 30 years. I was happy and proud to call him my friend.*

“ I cannot begin to share the many ways Bob worked tirelessly and inspired all of the efforts in our phenomenal drive to change the leadership and direction of our Township. It was such a pleasure to know him and work with him and call him friend. I will never forget his sacrifices and concern for his fellow citizens. You chose well Therese. We have all been blessed by Bob's presence in our lives and we are better people because Bob has touched our lives. 😊
