“ *Bob was our Mentor in Caregivers Corner. I loved him dearly. He helped me through many tough times and always wanted to know about my husband, another veteran. We shared many happy memories, and some sad ones. I will be so happy to meet Bob again in Heaven. Truly, one of God's earth angels.*

“ we have lost a very dear friend in our chat room. he spoke so lovingly of his children, grandchildren and his dear wives. he was truly loved in our room. he was such a smart and witty man. if someone was down, or had problems, he was one of the first to say something to help cheer up that person or to speak uplifting words. he was so very proud of his children, just as i know they were very proud of their father. there will be a big void in our room, and he will be missed. my love to bob, and god bless him and all of his family.

“ While I didn't have the opportunity to meet Robert, I have had the privilege of praying for him over the past week. I also have the privilege to be a friend of his daughter, Helen. My prayers to all of the Gleichauf family at this time of loss and in the coming days as you mourn your father, grandfather and great-grandfather.

“ Gosh, what can I say. This man showed me more love and kindness than my own Father. He helped me to survive after my Mother died and has been there ever since. Bob had more class in his baby finger than many people had at all. He has been waiting for this a long time, and now his wish has been fulfilled. He is with Ethel and watching over us all. I LOVE and LOVED you Bob.....
