“ *I have many great memories playing softball with Bob and Ken at Garden City. The Labor Day weekend canoe trips were legendary. I realize now that he probably didn't appreciate the canoe tipping we provided. His selfless devotion to the youth group, bus ministry and many activities were greatly appreciated. He remains an inspiration to me as I fondly remember our times spent together. Be at rest my brother in Christ.*

“ Rest in peace. Heaven has truly gained an angel and a great man. I will forever be grateful that he was the closet man that I had as a father figure and treated me like family. Always a jokester and ready with a Dad joke. It's bittersweet knowing that he's been reunited with his heavenly family while his earthly family will be missing him in their hearts.
