“ *Eileen, David, Diana and Mother Carmen, I cannot imagine the sorrow and grief that you are feeling at this time. Bob was an incredibly different person who walked to his own beat. I will always remember him as witty and generous. He could make anyone laugh during the worst of times with his quick comments and humor. I will definitely miss his visits to home and to the dragstrip for sure. JP will have a wing man while he's racing. He will be sadly missed by our family. God bless you during this difficult time.*
