“ *I just saw Robert's obituary in the paper. I am a first cousin of Bob's. His mother Vera was my father's Ed Wowak) sister. Bob wrote me a note a few years back and wanted to know what family members were still alive. I wrote him back, but did not hear back from him again. Bob was a very intelligent and wonderful man. He had a lovely family and I am sad to hear of his passing. I would have liked to have come to his service, but I will remember him in my prayers. My heart goes out to all of you who loved him dearly.*

“ His smile and laugh will be a reminder of the kind soul that Bob was. We have shared a lot over the last 24 years. The death of Norma. The talks of Gardening, Golfing, and vacations. Not to mention; when he was a Bachelor and began dating again!! The talks about his children and his Grandchildren were constant. And then there were Great Grandchildren! His heart was full, and his life was good. He Loved his Family, his Mate (Mary), Golf, Skiing, Fishing, Traveling, Gin, his Garden, and God. I have been forever Blessed because I know this man.

“ *By chance I read this in the Detroit News today. The Homier family always treated me well. Grew up as a friend to Mike... my best friend for a few years in Briar Hill. Mr Homier was a a cool kind of Dad... blue jean jackets and jeans on the weekends. Bought a sailboat that Mike and I risked our lives with on Orchard Lake many times.*

*Sounds like Bob lived a long happy life, condolences to the Homier Family.*

“ *I'll remember his humor, his intelligence, his love for his children and grandchildren, and the love he had for my Mom. We can be assured our Bob is with Jesus because he believed. And we will see each other again when I get there. But until then, he will be greatly missed because he was greatly loved.*

“ Thinking of you all as you mourn the passing of your dad. I have so many wonderful memories of your parents when we were all kids in Briar Hill. It seems like just yesterday we were playing kick the can and riding our skateboards around the neighborhood. Our parents had a lot of fun together over the years. Sending prayers for peace and joy in the memories you had with your dad.
