“ Dear brother, I wish I could turn back time. There is so much I want to say to you. Im so sad to think I will never get the chance to know you. If only we had found you sooner.... Time goes by so quickly, I never realized this until now. You deserved so much more from all of us. I pray you had a good life and felt loved and that you are now with our mom and you have no limitations. I hope you have found peace. Love your sister Denise
