“ Dear Grace, Bobby, David, and Suzanne and all your family and friends. We all held Bob in such high regard! Knowing him for 40 years we got to know and love him very much! Rocco with all the memories of working together at Eckrich lead to us becoming an extended family. Our children growing up together sharing vacation time up in TC,. Howmet parties, we had many discussions over pasta at your and our various homes thru the years. Bob was always the sensible one advising on planning for the future and sticking to budgets. A man of character who treasured his family. He alway joked around, loved music, dancing and just enjoying life. A great example to his family. We will miss him and look forward to meeting up with him again. Love to you all and prayers for strength for the days to come. Love always Rocco, Nina and Vincent Messina
