“ *Bob and I were like brothers although I was 17 years. We talked on the phone every Friday morning, when Bob was available and not traveling around the world! I looked forward to those calls and was always disappointed when Bob was unable to call. During our phone conversations, we would discuss former colleagues, mutual friends, former clients and insult one another..... just like real brothers!
I'm really, really going to miss him.*

“ *Bob and Karen were always wonderful hosts when they'd have parties. It was always nice to have a beer and socialize with Bob especially if there was a game on tv we were all watching. He went too soon but he definitely enjoyed life to the fullest with his family and friends and he will NEVER be forgotten.---* Steve & Rachel Kovalski
