“ *To the Moeller family..... It was with great sadness to me learning of Bob's passing.... I considered him a friend first and a fellow DHPD officer second.... A great mentor to me as I worked under his leadership in the record and property bureaus..... Many memories come to me as I think of Bob during our time together while police officers..... We had a very professional relationship but many times where we talked and became close as friends..... It has been quite some time since we spoke as we moved across the state to Holland 33 years ago..... We lost contact with each other but I would ask my brother Brent (a fellow officer) if he had ever heard from Bob....Never-the-less, I would often think of him and wonder..... Now I know that he is, indeed, safe and will meet him again sometime..... My condolences to the entire family....*

“ To tte Moeller family. My condolences in your loss. I worked with and for Bob for a lot of years with the PD. A good boss and a good man, I was fortunate to call him a friend. I hadn't seen him in over 10 years since we moved away, and was unaware he was having health problems. He's in a better place now. Very sad to hear of his passing.

“ *To The Family of Mr. Robert C. Moeller:
I would like to send my condolences to all of Mr. Moeller's surviving relatives. Also, felt the need to add some comforting scriptures about the upcoming resurrection of all our loved one's, Mr. Moeller included. In John 6:39 Jesus said: This is the will of him who sent me, that I should lose none ...but that I should resurrect them in the last day.*
