“ *I usually don't write sympathies cause I can't find the correct words. But, on the way home from the visiting Bob yesterday a song came on Sirius radio. Rock & roll heaven. So, Bob is playing his music today in heaven with all the other greats. So, Bob to quote your long time friend Tony 'TURN IT UP' we can hear you. gary & pam barylski*

“ *Bob was a life-long friend (since elementary school) - a true friend. Bob was someone I always could count on for any favor I asked. We shared many life changing experiences through the years - some joyous, others sad but Bob's friendship remained a constant. I hadn't thought about it until now but when I look back over the years, we never left each other's company with harsh words or bitter feelings - quite remarkable! But that's the way our friendship was. We both shared a love for music and I have many fond memories of being at his house listening/critiquing one thing or the other about some piece of music or reminiscing about the band jobs we played together. While I'm very saddened by Bob's passing I know he'll never be forgotten. He was so much a part of my entire life. He was a very dear friend. He will be sadly missed. May he rest in peace. “ When I was in Mi the last time. I had the opportunity to go out to dinner with Bob. I had had a crush on him in high school , but he never even noticed me . Still very handsome, beautiful warm smile. It was like I imagined the perfect date with him to be. He was very sweet. From the moment he said " Hello My Lady!" He was a gentleman. We've kept in touch and I mss him already. He was a neighbor of my Aunt and Uncle. His mom and my aunt were friends. My aunt always spoke well of him. Cassandra Sandy to Bob

“ "Keep the Faith" Marilyn & Denise and family, Bob often closed or signed off his emails with that advise. I'm sure he would tell you that right now if he were able. And what a reunion Bob must be enjoying! In heaven with his Mom & Dad and all who went before him. Keep the Faith, in Jesus name, Tom & Gloria Morofski
