“ *I was very sorry to learn of Bob's passing today. I first met him in 1987. I always enjoyed our conversations over the years; I will surely miss his next call. He was a great guy, always very friendly.*

Please accept my deepest sympathy,

“ Dear Reinertson / Wierzbicki Family,

On behalf of our families, we would like to extend our deepest condolences to you and your family.

Bob was the definition of a first responder. Since he worked with us at Willow Creek through Garden Tower, Bob was always there for us. Not just at work but would go out of his way to help the owners with their personal requests. Our Businesses would not have been as successful without Bob as a player in that success. With Debbie at his side, they were a team that could not be topped. I think of all the seniors that they have helped and improved their quality of life.

Bob was a true hero and will be sorely missed.

We are very fortunate that he was part of our world and we are better for it.

So on behalf of all the owners and all the tenants, we will be making a donation to St. Jude Children's Hospital.

God Bless the Reinertson / Wierzbicki Family.

*Respectfully,
The Sklar Family

“ Much of Bobby's childhood was spent at his grandparents in Whitehall MI and as their neighbor, Bobby became part of our family! Our summers were spent being with Bobby fishing, playing, swimming and laughing- He was our 'brother' and was very much loved. We always wanted to spend more time together as adults but life and distance got in the way, however our hearts held each other close. Rest In Peace dear brother and we'll see you again in heaven. Prayers for comfort and peace to his family and friends- He will be Missed but never forgotten ❤️ Pam Windbacher Churchill

“ *Jim Reinertson has been a military co-worker and great friend to me over the past 45+ years. During many conversations, Jim shared his special bond with Robert. I recall for several years Jim would drive or fly to Michigan to meet Robert for their annual deer hunt and cabin bonding. Based on Jim's many comments about their great times together, I know Robert was both a very good brother and great friend. Vivian and I express our condolences to all family members and friends during your loss. May Robert now rest in peace, and may his family always recall the many great memories you shared together! “ *I will forever treasure the memory of my co-worker and friend, Bob. I was 21 when we met and started working together. He was like a big brother to me. Always making sure I was good or if he could help with whatever I had going on. I will never forget his kindness, our talks or his infectious laugh.*

We spent many years golfing and bowling together whether it was for work or after hours on our league night. He was always the life of the party!

Bob was the pure definition of a great friend and he will be missed dearly. I know first hand the heartbreak of losing your dad and want Bobby and Jason to know that they will be in my thoughts and prayers as they journey on through their life without him.

Debbie my heartbreaks for you and Rebekah as well. I cannot imagine what you are dealing with at this time. All I can say is take comfort in the fact that he is no longer in pain and is at peace.

I am sad to say I will be unable to attend his service. I will be out of town. However, I wanted to let you all know that you are in my prayers as you navigate through your life's without Bob.
