“ *Bob was our neighbor from 2009 until 2016. One year ago my wife Amy, my two boys Andrew and Jonathan and i moved out to Livonia. We hadn't kept in touch but something made me go a different way to work and pull down the old street today. I talked to a neighbor to find out Bob had passed away. I wish i would have got that "feeling" last week. He was always willing to lend a tool to me as we made the house our home. He would share his casino "leftovers" as well! I wish i took him up on more of his invitations to stop by and have a beer, although i did stop by a few times! My boys absolutely loved Bob & Fluff! He was always interacting with them, imparting his sports & life knowledge and giving them suckers galor! I was so sad to here about his passing. Rest in peace, Bob.*

“ *My Papa ... I will miss you so much you are the best grandpa anyone could ask for . It was a blessing to spend so much time with you in the end but I'm glad you are at peace now . You have always been such an active person and your last days were hard . You were so tough and greeted me every day you could with a smile . I love you so much . Your famous saying "Take it cool man "... You get to go to Vegas now*
