Rosenworth, Robert John, passed peacefully on March 24, 2022 at the age 85 of Plymouth. Beloved husband of 61 years to Brenda. Loving father of Kim Rosenworth, Beth Ann Rosenworth and his beloved granddog Remy the Schnauzer. Dear brother of Ilene (the late Donald) Giles, the late Beatrice (Jim) Leslie. “ *Rob has been a wonderful neighbor and friend. We have shared and learned from him for more than 20 years. From sharing tools to recipes, chasing down moles in our yards, and trapping unsuspecting chipmunks, to cooking the best ribs in the neighborhood, Rob was always there!! We will miss him. God bless you Brenda, Kim, and Beth. Try to remember the good times! Rob was everything a man should be.*

“ When I think of Uncle Robert, I immediately picture him in his pinstriped bib overalls. I'm sure there must be a photo somewhere. The second thing that pops up was his ability to cook. He was the first man I knew that cooked for the family. The first man I knew that shared recipes with my mom!! The most impactful lesson he taught me was genuine kindness. He always asked me about my life and listened carefully to the answers. He was deeply invested and positively involved in every life he touched. Uncle Robert leaves a treasure trove of memories in my heart- swimming, camp outs, bonfires, laughter, motorcycles, berry picking and deep, unfaltering love for my family. We were all so incredibly thankful to have his loyalty. I am so lucky to have had the years with him and his family. They are the core foundation of my childhood. So many memories and so much love. Robert, and the vast positive impact he has had on the world, will never be forgotten.  
Sending love- Becky (Hirzel) Styles
