“ *To the family of Robert Smith, I'm truly sorry to hear about the lost of your loved one. Death is such a enemy of mankind and it is something of that we will never accept as normal because death its self is abnormal. How happy it is too know that one of the promises in the bible states that their will be a return to life of all those in the grave this is found in the bible in the book of John 5;28,29. i hope that this scripture will bring you as much comfort as it has too me in the lost of my loved ones. May the family be reassurred that when this earth as been changed into a paradise all families will be reunited to enjoy the blessings described in the bible at Psalms 37;10,11.*
