“ I’ve not known Bob long almost two years. But everyday I’d look forward to see him come through the front door at Steel Tool at 7 and 3! He was always kind, funny and had a positive outlook! He loved trying to sneak a piece of chocolate before heading off to the gym or thinking Nora wouldn’t find out! I also loved it when he’d bring the two dogs in and they would never listen but he’d just shake his head with a smile! Rest in peace Bob your presence will be missed!

“ Bob and our gang always had a lot of fun in High School! I’ll never forget the trip to Cedar Point when we were late for the bus and it left without us! We had to take another bus and catch up to the bus we were supposed to be on. We got in a lot of trouble but we had a great time at the park! He was a fun friend to be with. Rest in peace. “ *I remember first meeting Bob well over 20 years ago as he hired into Steel tool and Engineering. Over the years I gained a lot of knowledge from Bob; whether it was electrical, mechanical and everything in between, but the best, most enduring was his his friendship. Bob agreed without hesitation to stand up in my wedding while still asking Jenny "are you sure about this?" Until I see you again, Rest easy my friend.*
