“ *I also met Robin at Yankee clippers, can that really have been almost 30 years ago? We shared many good times, she always had a smile on her face. Her true love was her family, Robins dedication to Ashley and Samatha continues to inspire. And her patience with Jeff! Lol. I'm glad to see she had some fun travels this year, before this terrible disease took her from us all. Wishing her family much strength and faith during this sad time.*
With much love,
Karen

“ Robin was more than a stylist, she was my friend co-worker and more. I will miss her and her smile and the love she had for her girls and most of all her grandson. I'm so very sad but I know she is in great hands and not in pain any more.
My Prayers go to her and her family. I will truly miss her!!

“ I first met Robin when she was at Cutting Edge in Northville. For twenty years I followed her to every salon she moved to. To me Robin was more than a stylist. She became my friend. I loved hearing her talk about her beloved girls. I will so miss my visits and our chats together. Robin was the sweetest and had the purest heart of anyone I know. I will truly miss her. Prayers and hugs for Robin and all her family.

“ Every 3 weeks for over 30 years, I got to visit for 30 minutes with my friend, Robin. It was and will always remain a blessing to me. We've shared so many stories about family, life, work and other things during our time together, and each time she found a way to make me smile as I saw she did for so many. Terry and I remember her cutting our baby Erin's hair while we held her in our arms 30 years ago. Erin remained her friend since that day.

Robin, you were a part of our lives in a very special way, and your smile, cheerful spirit, and kind heart will remain in all our memories forever.

Rest in peace our friend. We love you.

“ Robin, you were a blessing to us all. The Page kids are all devastated that you are no longer with us. At the same time, we cherish the great times spent with you and the girls. We appreciate your kindness and beautiful spirit. Thanks for everything.
