“ *Words are not enough to describe what a beautiful soul Robyn was. She was kind, and funny, and always willing to have long and interesting conversations. She had this incredible ability to make us feel truly appreciated and important for who we were. I was so lucky to become part of her family back in 1987, and I spent the most wonderful part of my teenage years under her care, together with Bruce and Hol. I am going to miss you so much... and I know in my heart you will always be a lively presence, a loving influence and a delightful friend. Thank you, Mom! ❤️*

“ I cannot begin to express how heartbroken it was to hear the news of Robyn's passing. In the 30+ years of friendship with Holly, I have not known more dedicated, loving and truly joyous parents. So many great memories over the years, the best were simply seeing them whenever they visited Holly in the dorm. The trio of HoRoCo shared many laughs and countless hugs... She was one of a kind and will be missed. So much love goes out to the whole family!!

“ Holly, I am so sorry for the loss of your Mom. I will always remember how she and your Dad took our family in when we first met you. She welcomed our expanded family with open arms, while trying to remember everyones name! Not an easy task! Our thoughts and prayers are with you and your family! Love Sharon and Marc
