“ *Rodney was a good person to all he came in contact with. He would anything for you. He was a hard worker and he felt that the people that he worked with should do the same thing. He was an excellent cook. It was so nice having him live with us because he did the cooking. He is my son and I will miss so very much.*

Dear Janet and David Klinebriel, I am so very sorry about the loss of your son. I have has the opportunity to work with and for your son, he was a fine Mason that always kept the safety if his crew first in his mind. He was a kind and funny guy. He spoke if you both often and it was obvious that is was a truly devoted son that loved and respected you both very much.

I will be reminded of him when I see the work he left us, buildings that will stand true for another 50 years will bare his tool marks.

You are all first in my prayers.

“ Rodney will be missed. He was a friend in high school, but we became closer over the last few years as lupus patients . Rodney always had a way of picking me up on my bad days, I wish I could have picked him up and pulled him through this last fight. He will always be remembered by me as my friend.. Rest in Peace Rodney your lupus fight is over.
