“ So very sorry for your loss. You may not remember me, but I remember Uncle Roger. He was my father, Guy Dobies', "favorite uncle" as he would always tell me. He always spoke so highly of Uncle Roger and shared many fond memories of him in his childhood. My dad loved him very much, and he would always hope that he could attend family functions so that he could see him. Again, so sorry for your family's loss. . . he was very loved in our family.
