“ *In memory of Steve... He was a loyal friend. I learned this in the short time I had to know with him....this time seems much longer in my mind though. Steve's life had an impact on Scott's life that will continue to last. They had a lot of good times together. He will be missed.*

“ *Steve, I just read about your passing in the paper. I will always consider you one of oldest friends and will miss you. We have fallen out of touch as of lately, but I will always remember the great times and many laughs we shared. You will always be part of my memory and for that I thank you. My condolences to your family and I will keep them in my thoughts and prayers.*
