“ *I'm sorry for your loss. Death is our common enemy as it affects all of us. I therefore want to encourage the family to take heart and be hopeful in the promise by God, that he will wipe every tear and no more will be any death again. Death will be brought to nothing, Isaiah 25:8 and 1Corinthians 15:28. God by means of Jesus will call and all that died will hear his voice and come out. John 5:25. We have an opportunity to see our dead loved ones come back to life again and never to die. What a wonderful moment that will be!*

“*Roland and I were co-workers and good friends while he was in Kenosha and we remained good friends even though I didn't go to Detroit. We talked on the phone occasionally and he gave me advice on servicing my Eagle Premiers. We last talked a few months ago. I will miss him and our calls.*”

“ *Rollie was one of the truly intelligent engineers I had the pleasure to work with at AMC. He helped me in my career from the first time I met him in Kenosa, WI. until we both ended our long paths through Renault, Daimler and Chrysler when we retired. He will be missed.*
