“ *I'm sorry for your loss. Death is our common enemy as it affects all of us. I therefore want to encourage the family to take heart and be hopeful in the promise by Jehovah God, that he will wipe every tear and no more will be any death again. Death will be brought to nothing, Isaiah 25:8 and 1Corinthians 15:28. God by means of Jesus will call and all that died will hear his voice and come out. John 5:25. We have an opportunity to see our dead loved ones come back to life again and never to die. What a wonderful moment that will be!*

“ *Dear Terri, Jill and family: I am very sorry to learn of Ron's death. He was always an inspiration to me and I have extremely fond memories of the time he and I spent together. His passion for his family and for all things outdoors was infectious and I am sure that my family and I would never have discovered trap shooting and the WWCCA had it not been for Ron. “ I am very saddened to hear of Ron's passing. I worked with Ron at IBM the last few years when I was in Techline. I really looked up to Ron. He had a wealth of IBM knowledge, and I really needed a Mentor. We talked about a great many things from Hunting, reloading, his son Rusty, and his favorite dog. I used to make Venison Chili for the team and bring it in for lunch. He used to really like it. We had a great deal in common, and we used to talk a great deal at work. My prayers to all of Ron's Family. I will really miss Ron and his Wisdom. He will be sorely missed.
