“ To all the family, my condolences. Always liked going out to dinner on sundays with my dad and Ronnie when I was up visiting my dad. I know Kenneth is really going to miss Ronnie. Ronnie did a lot of good things for my dad. Kenneth, by the way, is in bad shape right now, he is 97, so he wont be able to attend the service and I am in Texas, but just know that we are thinking of Ronnie and our memories of him we will cherish.

“ To Connie, Joanne, Tammy, Ronnie and Norma. My heart goes out to all of you. Your dad was a wonderful man and friend. He never failed to make us laugh when we were together, (your mom and dad and Roger and I). Your dad and Roger together were a riot and we hated it when they moved so far away and always looked forward to his visits. You had wonderful parents. He is with Vi and Roger and telling crazy jokes and having a wonderful time together like they used too. That's how I really want to think about it. We lost a great man but Heaven recieved a very special Angel to watch over you. God bless you all during this sad and trying time. He will be so missed by so many!
