“ I will really miss Ron and am so very sorry he passed. I know he loved his family and friends dearly. I went to Marshall Jr High with Ron from 1971 to 1973. He signed my 7th grade yearbook and I thought he kind of liked me. Enjoyed seeing him again at picnics and reunions and talking about our shared love of music. I will miss you my friend 💔

“ Buddy.... I still can't believe you're gone.....it seems like yesterday that we were fighting over "Multiplication Times Tables" supremacy @ Woodrow Wilson Elementary. And of course hanging out in your fashionable Birchwood Street basement plotting that days plan on how PODS (Pods Organization of Destructive Scientists) would take over the world !!! Yep.. it was kinda a combo of Star Trek and Lost in Space .. with a few DC Comic Superheroes thrown in for good measure lol !!!

Later ... we would be teammates on the Westland Little League Bulls ..coached by the one and only Ed Miller ... we went from League laughing stocks to City Champs in just two years !! Real life separated us for a minute ... until the idea of an old neighborhood picnic and the magic of Facebook brought us back together!! Those Hines park events were awesome - and you were the driving force my friend.....

Ron, you were brilliant, crazy & funny... often all at the same time lol!! Rest easy my brother ... you will never be forgotten.....

“ We offer our sincere condolences to the Dagwell family on the sudden and unexpected loss of Ron. In our estimation he was a true gentleman with abiding interests and abilities. Rest assured his talents are now being used on a much higher plane. We regret that fate and circumstances decreed only fleeting contact with Ron. Uncle Albert and Aunt Gerry Silfven
