“ I met you guys about 9 years ago.. I can't express how much your going to be missed. Love that you guys watched lil miss Alexah when she was a baby.. It was nice to come and visit. I use to call and say hey where's your woman and you would say hey! Hold on. I know you and Lisa would do anything you could for someone in need. I know your not suffering and your worry is gone, sounds like you have a lot of fans and some great family. Lisa will be ok. I know your watching over..
Love you guys... Gone to soon...

“ i thought when my mom and dad went to b with the lord that nothing could hurt as bad but not true when the lord called my brother Ron back to him it really broke my heart ,i was blessed with seven brothers and i love all of them more then i can say we have had our up and downs but it never stop us from loving each other because when u leave this place there is no going back to undo what as been done or said so love with your heart and not your mind because u just never know when u love someone so much how bad it hurts to let go and let god take care of them.i love u my brother Ron and u will forever b in my heart and part of me so please rest now.
