“ Ron hired me in as an intern in 1995 at GM in the Customs Group. I had never heard of Duty Drawback before. After 3 successful internships Ron made a point to help me land a permanent job where I was still working for him as a contract employee. 29 years later I am still working in the Customs industry. Ron was instrumental in helping me start my career. I am forever grateful.

I am truly saddened to read about his passing. I am happy to read that he had such a great family.

“ I am very sorry to learn of Ron's passing. My condolences to his family. I had the honor of golfing with him many times in the Tuesday morning league at Fox Hills. He was a pleasure to golf with as we got to know each other. He was a pure example of courage and determination as he continued to golf with his challenges. I admired him a lot as he drove into the parking lot in his Corvette every Tuesday. He was a great inspiration and example for all around him. I will miss him very much!

“ Sad to hear of Ron's passing. As a long time dedicated Board member and Rep of Metro Detroit Ski Council, Ron made sure the organization ran smoothly with new and innovative ideas. He always had a smile and good word to everyone and made all feel welcome. It was a great pleasure to know him and have a friendly banter about skiing, tennis and our age. My condolences to his family. Christine Luhrs - MDSC rep for GM Ski Club, Somerset Ski Club and former MDSC treasurer.

“ I am so sad to hear of the passing of Ron Glowzinski, he was a very dear friend of mine for many years. We skied together a part of the Thunderbird Ski Club for many years. He did a great job during his tenure as President of the ski club and masterfully organized many ski trips. He was friendly and made everyone feel welcome. Ron and I competed in the Michigan Alpine Competition Council ski race program at Boyne Mountain, where he organized lodging and get-togethers for many of our Thunderbird participants. I often enjoyed ski racing head-to-head with Ron; he was a great competitor. I also remember taking ski race training at Mt Tremblant in Quebec with Ron and several other Thunderbird skiers. We trained for a week, improved our skill levels, developed camaraderie, and had a great time.

Ron was also an active boater along with me at the Ford Yacht club. He would often organize a rendezvous of several boats on the water for summer afternoons of fun, food, drinks, and singing. Ron was usually the first boat at the anchorage location and easy to spot, since he had one of the larger boats there. Ron and Yvonne were always ready with a Margarita when Karen and I rafted our boat off of their vessel.

We treasure the memories of our times together, and will miss his company. Thank you, Ron, for being our dear friend.

“ Two or three summers ago, Ron drove his new Corvette to the T-Bird picnic, and it was what a Transformer car would be. He described the many features of the car, since it was a totally new design . . . a real looker. He loved that new car. Ron was a great President of the T-Bird ski club, and contributed a lot the the MDSC organization. In both clubs, he undertook many positions, and because of his great leadership, advanced their mission to promote the great adventures of skiing to one and all. His legacy in the promotion of skiing will truly be missed.

He was a patient of mine at Henry Ford, I am a skiker, so we would talk long after his appointment! I was also an intermittent thunderbird ski club member. I think about him often and so sorry to hear the news. :(

Ron was a wonderful friend for the past thirty years, thanks to the game of tennis. He was a good sport and knew how to run a happy league. He will be greatly missed at our Lunch Bunch. All my best now to Yvonne and the family.

Ron and I skied together for over 20 years as members of the Thunderbird Ski Club on many ski trips out west and in northern Michigan. We also ski raced against each other for 15 years in the Michigan Alpine Competition Council (MACC) program at Boyne Mountain. We were also both members of Ford Yacht Club on Grosse Ile for many years. His enthusiasm and humor will be missed in all of those venues. My condolences to Yvonne and the extended family.
