“ *I met this man May 9th 1988 he forever changed my life. Together we have two beautiful children for which I am forever grateful for and and very blessed. Ron put me thru some changes but he forever loved me. Even when we couldn't be together he never gave up so remained friends we did. He was loyal thoughtful above all silly to the core. He couldn't pass up the chance to embrass the kids with his goodness. He definitely was a grown child. Cartoons hunting fishing and family meant joy peace happiness in his heart. I will forever miss you Ron and always love you. Thank you for always loving me*
