“ *I'm heartbroken. Ronna and I had so many great memories. She was taken way too soon. She was such an amazing person! Praying for her family and friends. 💔💔💔*

“ *My sweet cousin and friend, Ronna. Life will not be the same without you here. Nearly every childhood and teenage memory includes you. You were so loved by so many. A daughter, mom, sister, niece, aunt, cousin, friend and most recently, a new GiGi to that beautiful little boy, Blake. You fought a brave battle. We are all so sad that you're no longer with us, but also are comforted knowing you're now at peace with so many loved ones who were waiting for you in heaven. You will never be forgotten. I love you.*

“ *Oh, my sweet birthday twin.....my heart is so very heavy...to know that you have left this earth and moved on is so very bittersweet. I know your dad was waiting with open arms. I know you are not sad....but oh how we are. The sign you made me will forever hang at my home, reminding me of you. I am sending your family so much love and prayer during this time. A sweet-sweet soul gone too soon.*

“ Ronna was a sweet young lady, she was born in the hospital the same day as my daughter. Her mom and I were friends and neighbors years ago. The girls grew up going to school together. She was very talented and designed and made several things for my family and I. Her smile would light up a room. She will be so missed by the ones that love and adore her. Rest In Heaven Sweet Heart!
