“ *Ronnie wss a fabulous older brother and he has always been "Switzerland" for the other 6 of us. Ronnie had a great sense of humor and he could pull off the pranks better than anyone I know. Ronnie didn't talk about his feelings very often but he loved very deeply! We knew when he married Betty that he would be happy and taken care of for life and boy did that hold true! Betty, the children, grandchildren, and great grandchildren were the world to him and as he told me a week before he left us...."he had a great run"! We will love you and miss you for the rest of our days: rest in peace with those you loved that departed before you.*

“ *Had some great times together my friend. We enjoyed our pizza and taught the wives how to play cards. Rest in piece, Greg and Cathie Williams.*

“ *When I was young and first moved out, Ron bought me furniture and other things. Always there to help all of his siblings. Taught me how to spit watermelon seeds. I knocked his front tooth out when I was 4 swinging a baseball bat.*

Loved our phone calls and discussing our kids and grandkids. You were so special to me Dear Cousin. I know Mom was so happy to see you, she loved you so much as I did. Hope you are eating beans and cornbread while the angels are singing the praises of a wonderful Dad, Grandpa, Great Grandpa, brother and cousin. Till we meet again.
