“ *Ronnie is a great friend of ours. I meant Ronnie years ago when I was little and reconnected few years ago. He was so kind, patient, caring and would give the shirt off his back to anyone in need. Camping with him is always an adventure and awesome time. He was still waterskiing, wakeboarding every chance he got. Last year my son came out and Ronnie and I took him wakeboarding to Ronnie’s surprise my son was very experienced on the water Ronnie was in his happy place smiling and saying this kid knows what he’s doing this is awesome. Him driving the boat drinking his coke and having a smoke. We had an amazing time, it was his first time meeting my son and they hit it off both laughing and giving me a hard time Ronnie joked with him and made us all feel like family. He will be greatly missed. Prayers and hugs to his family and extended family. ❤️*

“ Ronnie and I became friends about 30 years ago, and even though we haven't talked in years, he truly impacted my life. When I met him he got me into deer hunting and also taught me how to water ski. He could also tell a story like no other and could always make me laugh. He will be truly missed. With deepest sympathy I send my condolences to his family. 🙏

“ I'm blessed to have had Ronnie as my step dad, Ronnie was the most loving, hard working, compassionate, non judgemental person I've ever met, I'm crushed that he is gone, I'm glad that I was able to share father day breakfast with him, he spoke of Jeffrey and Annie, I just can't believe he's gone.

I will always love you Ronnie 💔🕯️ until we meet again.

Love always

“ I met Ronnie through my Sis -n- law Darcus (Ronnie's sister) along with the rest of the family. He was a great and friendly person. I lived on Globe and when I stopped by to see his parents he always made a point to chat with me and had a laugh or two. I know he was a good hard worker. I worked for Hayden's and heard the same through them. Just a good all around guy. My thoughts and prayers go out to the Cox family. Thinking of you all and deeply sadden for your loss.
