*I have fond memories of Rose and her love of family and dogs (I especially remember Sammy - hope I have the right name).*

*As the years have gone by I think of the time when I was growing up on Christine with friends such as you, it was such a good time and a great place to grow up.*

“ Dear Bill, Young Bill, and Terese  
I am so truly sorry to hear of Rose's passing!  
I do believe growing up on Christine St. was a God given gift to me  
and all the other families who lived there!  
We had something so special! That really does not happen much  
anymore! I will never forget when Rose and Bill came home and  
dads 40th! I talked with Rose about my daughter Shannon and how  
she danced! Rose was so excited and hoped she would continue to  
dance all her life! Well at 22 years old Shannon still dances! She  
just finished a show last week in El Paso Texas! My prayers are with  
your family!  
Love Penny
