“ *Dear Kathy, Amy and Allen Family, We are so sorry to hear about the loss of your dear mother. We know that simple words alone cannot comfort you at this sad time for you and your family. We are confident that you "sisters" are there for each other. You are both in our hearts and thoughts. Know that we cherish the good memories and are sending much love your way. Susan and Patty*

“ Dear Amy, Cathy, Jackie, Nancy, Amy and, of course, Roberta, I'm so very sad to hear of your mom's passing. I know she lived a good and full life, but I loved her so very much. The only memories I have of Chapel is of your family. All of you always made me feel a part of your family. I have fond memories of the vacations I took with Roberta and Mr. and Mrs. Allen. I can still smell the fresh baked home made bread and I can't forget the chocolate chip cookies! I remember spending Friday nights at your house with Roberta. Your mom would give us a "bottle" of pepsi and a bag of doritos and we would sit and watch the Mary Tyler Moore show, Bob Newhart and Carol Burnett shows. (lol) I can't forget to mention the candy cabinet. I always felt special when I could go get a piece of candy. Very good memories. I remember going to the church with her when she had to cook. Your mom has touched the lives of so many people. I consider myself very lucky to have been part of it. She will truly be missed. I'm so very sorry I couldn't be there to pay my respects in person. It hurts my heart.

“ We are very sad to hear about Rosemary's passing. I'm sure she'd love to have stayed with everyone longer but just think about all the people that she's seeing now. I'm sure she has so many friends and loved ones with her now that she's having a wonderful time. She'll be there to welcome everyone to the party when their time comes.

“ Dear Jaci, David and Family, I knew your Mom very little, but the times I have spent with your family, she was warm and inviting and very gracious, And each occasion involved food, which you have said she loved entertaining and pleasing people. I know she will be missed..

“ I had the great privelege of spending time with Rosemary on several occasions. One time we did the 4th of July at her house and she taught me to play dominoes. I thank you for that. I went and bought my own set after that. To all the Allen's I feel your loss. She will be missed Sincerely Donna

“ Im truly sorry to hear about your lost. Rosemary will definitely be missed by so many. One thing that helps me deal or cope with loosing a loved one is the scripture John 5:28,29. It stats " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Rosemary again because God (Jehovah) promises a resurrection hope. Also if you notice that it uses the term "memorial tomb" and not [Grave] which means Gods memory. Rosemary seems like a really nice lady, a person that God will definitely remember. I hope this gives some comfort. Dion R (Truth.1914@yahoo.com)
