“ Tina and Family. I am so sorry about your loss and wish we could have been there for you. Uncle Roy was loved much by all of us even though far away we thought of him often. Please keep in touch. Love you Cousin Sandy in Derby, Kansas.

“ Dad always would make sure he put the family first in all of his decisions and did not want us to worry about him regardless of the circumstance. When things would get difficult he would always make sure that we could "find a way to make it work". Now that you are once again alongside Mom, we are left with with trying to find a way to make things work out in both the spirit and the intention that both of you would have wanted for all of us. We deeply miss you both.

“ Im truly sorry to hear about your lost. Roy will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Roy again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort.

“ Nice they are together just such a hard year for your family. Know it being Mother's Day weekend and missing her then losing your father on this weekend would make it extra hard on all of you today and always. Always made me smile that my UNCLE Roy was the same age as my oldest sister.

“ Dad, You were the building block of the family. Always there for us, Always helping us no matter what we needed. We are lost without you, but we take comfort that you and Mom are back together once more. Take care of Mom until we are all there. .
