“ Dear Rudy, Tammy and Patrick, We are very sorry for your loss and wish we could be there to share our condolences in person. Your father was always very kind to our family and certainly to me in particular. I don't know if you remember but he helped me secure a summer job at Ford Motor Co. at a time when it was very difficult to get jobs due to a tough economy. This was extremely important to me as it helped me pay for my college education. Know that we are keeping him and all of you and your families in our thoughts and prayers. God Bless. “ Rudy, Pat, & Tammie and families So sorry for your loss. Remember the good things and the good times; you know there were many. Encourage your children to do the same. He was a great dad and grandpa; I know I couldn't talk to him without him bragging about how great you all are, and I certainly agreed with every time. Just think of the great card games all the paisan's are going to have with this addition chair filled at their table. My heart and love goes out to all of you. Dan & Leslie Valentini & family

“ To the entire Valentini family- Uncle Rudy was a great guy. He was a kind man who was very proud of his family (and with good reason!) I will always remember how in awe I was of how he and your Mom could dance together (never missed a beat and always right in step!) I know Aunt Jean was glad to see him again and they are probably dancing together in heaven as we speak. Our family's thoughts and prayers are with each and every one of you during this very difficult time. God bless you!

“ Rudy, Pat, Tammie & entire families...may you enjoy the memories! He has been called back to be with Aunt Jean, his parents and his siblings. I know they were all standing at the pearly gates to receive him with open arms. His work is done here. May the memories you have of him and the love in your hearts, comfort you in the days to come and make your loss bearable. I love you uncle, please give my dad a great big hug for me. Love to you all cousins.
