“ *I've known Russ my entire life, he was my brother Ron's best friend since they were kids. It was nice that they still talked and saw each other when they could through out adulthood. Some friends are just meant to be I guess no matter where life takes you. Russ was always a very kind and friendly person. I'm so sorry he went through so much pain these last few years. You will be very much missed by your family and friends.*
