“ I don't even know where to begin. I am in total shock, as many others are as well. Russ and I grew up together, 25+ years. My fondest memory was playing basketball at Lincoln elementary. He would always help me make a basket since I was so short. He truly had a heart of gold and looked out for everyone. He will be missed deeply. Just know it is never good bye but till we meet again. Watch over your family in this time of need. Untill we meet again.

“ I remember you, myself, bobby and crystal always hanging out when I spent the night at my aunt Kims house. I still can't believe this is real, but you are at peace now. I will continue to keep praying for your Family
